## Abstrak

### [**ABSTRAK**]

Penulisan ini dibuat untuk mengetahui karier kriminal duta dari hal mendasar yang bermula dari proses mempelajari tindak kejahatan yang biasa duta lakukan seperti mencuri, menipu, serta membohongi korban dengan trik-trik yang telah dipelajari kemudian menerapkan, selanjutnya memutuskan pilihan untuk tidak melanjutkan profesi seperti duta. Analisis menggunakan sudut pandang teori desistance serta teori career criminal dengan mengetahui alasan-alasan apa saja yang melatarbelakangi duta berhenti untuk melakukan tindak kejahatan seperti yang biasa duta lakukan. Penulisan ini menggunakan metode kajian kepustakaan melalui penelusuran data sekunder yang berkaitan dengan fokus penulisan. Hasil dari penulisan ini menyimpulkan bahwa alasan mendasar yang mengakibatkan duta memilih untuk melakukan desistance berdasarkan alasan internal dan eksternal dari dalam diri pelaku yang mengacu pada pemikiran dari Farrall & Calverley dalam bukunya yang berjudul understanding desistance from crime.
