Pendapatan KSO AB sebagai perusahaan real estat diperoleh dari penjualan atas tanah dan bangunan. Proses audit dilaksanakan berdasarkan Audit Manual KAP ABC yang telah sesuai dengan standar ISA. Selama melakukan audit, auditor melihat kesesuaian kebijakan pencatatan akuntansi perusahaan dan metode pengakuan pendapatan dengan Pernyataan Standar Akuntansi Keuangan (PSAK) No.44 Tahun 1997, sebagai standar akuntansi yang berlaku di Indonesia. Hasil audit menunjukkan tidak ada temuan audit terkait penjualan real estat, hanya terdapat perubahan metode pengakuan pendapatan dari tahun sebelumnya dikarenakan KSO AB ingin segera mengakui pendapatan atas transaksi penjualan unit real estatnya.
