[ABSTRAK

Menganalisis tingkah laku negara anggota di dalam suatu institusi regional merupakan salah satu fenomena yang sering dibahas dalam Ilmu Hubungan Internasional. Inggris sebagai anggota resmi Uni Eropa yang memiliki sikap skeptis yang tinggi terhadap integrasi Eropa atau yang sering disebut sebagai Euroscepticism menjadi suatu fenomena yang unik di dalam kajian integrasi regional. Literature Review ini diawali dengan pemaparan mengenai perkembangan definisi Euroscepticism. Kemudian, perkembangan literatur tentang Euroscepticism Inggris dapat diamati dari kecenderungan argumen para penulisnya. Literatur tersebut dibagi menjadi tiga kelompok. Kelompok literatur pertama membahas Euroscepticism dari sisi ekonomi. Kelompok literatur kedua membahas Euroscepticism dari sisi politik yang menjadi mayoritas literatur yang muncul apabila membicarakan tentang skeptisme terhadap integrasi Eropa. Kelompok literatur terakhir menjelaskan Euroscepticism dari sudut pandang yang belum banyak ditulis oleh para akademisi yaitu sisi sosial kultural. Dengan kategorisasi demikian, literature review ini berupaya untuk menjabarkan perkembangan literatur Euroscepticism yang terjadi di Inggris berdasarkan realitas dan fenomena internasional. Hasil dari pemaparan literature review tentang Euroscepticism Inggris ini menghasilkan suatu kesimpulan bahwa fenomena Euroscepticism di Inggris merupakan sebuah fenomena yang multi level attitudinal. Yaitu sebuah fenomena yang menjangkau semua lapisan aktor.
