Abstrak

Tugas Karya Akhir (TKA) ini membahas tentang The People of Australia Australia's Multicultural Policy pada masa pemerintahan Perdana Menteri Australia, Julia Gillard tahun 2010-2013. Kebijakan tersebut diimplementasikan dan memberikan dampak terhadap kelompok-kelompok yang ada di dalam negeri termasuk diantaranya adalah kelompok Muslim yang menjadi sorotan karena jumlahnya yang sudah tidak lagi sedikit, tetapi mengalami dampak yang tidak biasa dalam lingkup lapisan masyarakat Australia. Hal tersebut terjadi karena adanya berbagai isu global/external issue yang berkembang di Australia mengenai kelompok Muslim. Untuk menjelaskan implementasi dan dampak kebijakan ini, penulis menggunakan teori multikulturalisme liberal. Metode penelitian yang dipakai adalah kualitatif dengan teknik studi kepustakaan dan dokumen. Kebijakan tersebut tidak berjalan sesuai harapan karena adanya external issues yang berkembang seperti terorisme, identitas, dan kewarganegaraan.

.....This thesis examines The People of Australia - Australia's Multicultural Policy during Prime Minister Julia Gillard's Administration from the year 2010 - 2013. This policy had quite a large impact to various communities in Australia, particularly towards the muslim community. Especially considering the large number of muslims in Australia and also, global issues and / or external factors that Australia faces regarding the muslim community. To examine the implementation and impact the policy has on the muslim community in Australia, this paper uses the liberal multiculturalism theory. The research method used in this paper was a qualitative study of literature and documents regarding the policy itself. After careful examination and research, this paper concludes that The People of Australia - Australia's Multicultural Policy did not run as smoothly as was expected outcome due to global issues and / or external factors that was developing, such as terrorism, identity and citizenship.
