[ABSTRAK
 Penelitian ini membahas perubahan kehidupan seorang Ama di Prefektur Mie ditinjau dari aspek sosial budaya. Ama merupakan wanita yang menyelam ke dalam laut untuk mengambil tumbuhan laut dan hewan laut, seperti rumput laut dan awabi (siput laut) tanpa menggunakan tabung oksigen. Seiring dengan perubahan zaman, kehidupan Ama di Prefektur Mie juga mengalami beberapa perubahan. Tujuan penelitian ini adalah untuk memaparkan perubahan kehidupan Ama di Prefektur Mie ditinjau dari aspek sosial budaya. Metode yang digunakan dalam penelitian ini adalah metode kualitatif bersifat deskriptif. Hasil penelitian ini menunjukkan bahwa terdapat perubahan-perubahan dalam kehidupan Ama di Prefektur Mie, seperti perubahan dalam cara berpakaian, perubahan populasi awabi, perubahan penghasilan Ama, dan perubahan populasi Ama;<hr>

ABSTRACT
 This study discusses about the changes of Ama life in Prefecture Mie based on its social and cultural aspect. Ama is a woman who dives into the bottom of the sea without any special diving equipment to pick sea plants and sea animals, such as seaweed and awabi (abalone). New era resulted in some changes in Ama life in Prefecture Mie. The purpose of this study focuses on the explanation about the changes of Ama life in Prefecture Mie based on its social and cultural aspect. This study uses descriptive qualitative method. The result of this study indicates that there are some changes in Ama life in Prefecture Mie, such as the way of Ama dressing, awabi population, Ama income, and Ama population.;This study discusses about the changes of Ama life in Prefecture Mie based on its social and cultural aspect.
