[ABSTRAK
 Cerita pendek berjudul das Brot adalah salah satu karya sastra Jerman yang ditulis oleh Wolfgang Borchert pada tahun 1946. Cerita pendek ini mengisahkan interaksi antara sepasang suami istri di Jerman dalam situasi pasca Perang Dunia II. Meskipun tidak mengulas situasi perang secara khusus dan eksplisit, cerita pendek ini merepresentasikan keadaan yang dialami oleh masyarakat Jerman pada saat itu. Melalui karya ini Borchert menggambarkan implikasi Perang Dunia II bagi kehidupan sehari-hari masyarakat Jerman. Dengan menggunakan pendekatan sosiologi sastra, analisis terhadap cerita pendek ini memperlihatkan pengaruh Perang Dunia II bagi masyarakat Jerman, khususnya dalam aspek hubungan interpersonal.ABSTRACT The short story "das Brot" is written by Wolfgang Borchert in 1946. Das Brot describes the interaction between a married couple in Germany in the period after World War II. This story illustrates the condition in German Society. Through this work, Borchert describes the effect of World War II in German Society's daily life. by using a sociological analysis it shows the influence and effect of World War II in Germany, particularly under the aspect of Interpersonal Relationship., he short story "das Brot" is written by Wolfgang Borchert in 1946.
