[<b>ABSTRAK</b><br> Peran dunia maya semakin menggerus sendi-sendi kehidupan masyarakat. Beberapa aspek bahkan tidak dapat lagi terpisahkan dari dunia internet. Ketergantungan yang semakin tinggi terhadap internet, telah menumbuhkan suatu tren sosial baru dalam masyarakat. Pada jurnal ini, penulis meneliti sebuah novel yang berawal dari kumpulan cerita di forum internet, dan menyebar secara masif melalui dunia maya. Sepasang Kaos Kaki Hitam karya Ari Ginting, adalah sebuah cerita dengan tema percintaan yang disertai plot unik, serta menarik rasa ingin tahu dari pembaca. Kehadiran novel ini mengubah stereotip umum dari cerita bertema cinta. Cerita yang mengusung tema cinta biasanya hanya menyasar kalangan pembaca tertentu, namun novel ini cenderung menyenangkan untuk dinikmati beragam kalangan serta usia. Beberapa keunggulan novel ini adalah, alur yang tidak membosankan, karakter yang menarik, serta latar sosial yang begitu kental. Poin-poin tersebut telah menstimulus keinginan penulis untuk mengangkat serta menganalisis novel ini dengan pendekatan sosiologi sastra. Tujuan penelitian adalah menemukan serta mengaitkan hubungan apa yang menyatukan Ari dan Meva, meskipun latar belakang serta segala aspek tentang hidup mereka begitu kontradiktif. Analisis penulis didukung dengan memperhatikan beberapa poin, seperti latar belakang sang tokoh, sifat mereka, serta kondisi lingkungan yang memengaruhi kepribadian mereka. Hasil analisis menunjukkan bahwa kedekatan mereka tidak hanya ditunjang kecocokan fisik atau latar belakang, tetapi karena hubungan yang kuat dalam kepribadian serta perasaan mereka satu sama lain.<br/>
