

Feed efficiency in swine

John F. Patience, editor

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20417977&lokasi=lokal>

Abstrak

The book provides detailed insight into the many factors affecting feed efficiency, ranging from diet processing to herd health, from nutrition to physiology and from day-to-day barn management to the adoption of advanced technologies. The authors explain such practical aspects as the challenge of interpreting feed efficiency information obtained on farm or the role of liquid feeding. The authors also delve into more scientific topics such as amino acid or energy metabolism or animal physiology.
