Abstrak

This book provides you with the most comprehensive and authoritative overview of youth and crime available. Keeping you abreast of the contemporary debates surrounding youth crime and justice, this book examines all the key topics that you'll encounter during your studies in youth and crime at undergraduate and postgraduate level.

Providing students with a fully up-to-date and highly authoritative introduction to the area, this new edition now has expanded coverage on contemporary areas such as cyberbullying and the media, takes recent legislative updates into account, and is now accompanied by a student study website
