Abstrak

This is an important and timely volume: important because ASEAN is an increasingly significant and influential regional and global actor; and timely because, as the 2015 ASEAN Economic Community target approaches, what is needed is a sympathetic yet arms-length survey of the issues and challenges. ASEAN will miss some of the targets laid out in its AEC Blueprint, but the reader is left in no doubt that the ASEAN spirit is alive and well. The editors include a distinguished former Secretary General of ASEAN and the leading academic analyst of ASEAN economic cooperation. They and their co-editors are to be congratulated for soliciting contributions from an outstanding and diverse group of authors, and then adding their highly authoritative commentary and analysis. A must read for anybody seriously interested in ASEAN.
