

Algebraic geometry over the complex numbers

Arapura, Donu, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20418978&lokasi=lokal>

Abstrak

This book provides a rapid introduction to complex algebraic geometry. It covers sheaf theory, cohomology, some Hodge theory, as well as some of the more algebraic aspects of algebraic geometry. It combines the study of algebraic geometry with differential and complex geometry and unifies these subjects using sheaf-theoretic ideas.
