

The geometry of Minkowski spacetime : an introduction to the mathematics of the special theory of relativity

Naber, Gregory L., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419069&lokasi=lokal>

Abstrak

This mathematically rigorous survey of the special theory of relativity also details the physical significance of that mathematics. In addition to kinematics, particle dynamics and electromagnetic fields it treats subjects usually bypassed at elementary level.
