

Approximation theory XIII: san antonio 2010

Neamtu, Marian, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419260&lokasi=lokal>

Abstrak

Contains the proceedings that were prepared in connection with the international conference Approximation Theory XIII, which was held March 7-10, 2010 in San Antonio, Texas. This book includes many relevant topics in approximation theory, such as abstract approximation, approximation with constraints, and interpolation and smoothing.
