

Singularities in elliptic boundary value problems and elasticity and their connection with failure initiation

Yosibash, Zohar, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419362&lokasi=lokal>

Abstrak

The author treats the mathematical formulations from an engineering viewpoint and presents high-order finite-element methods for the computation of singular solutions in isotropic and anisotropic materials, and multi-material interfaces. The proper interpretation of the results in engineering practice is advocated, so that the computed data can be correlated to experimental observations.
