Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419391&lokasi=lokal>

Abstrak

Partitions, q-series, and modular forms contains a collection of research and survey papers that grew out of a Conference on partitions, q-series and modular forms at the University of Florida, Gainesville in March 2008. It will be of interest to researchers and graduate students that would like to learn of recent developments in the theory of q-series and modular and how it relates to number theory, combinatorics and special functions.
