

Practical cataloguing : AACR2, RDA and MARC 21

Welsh, Anne, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419450&lokasi=lokal>

Abstrak

This textbook explores how RDA elements can be incorporated into MARC21. Topics include: an introduction to catalogues and cataloguing standards, publication formats and bibliographic elements, access points and headings, a summary which outlines the major issues and many others.
