

Implementasi the shariah : suspicions and apprehensions

Qutb, Muhammad, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419596&lokasi=lokal>

Abstrak

is a unique rendering of fundamental islamist discourse about vitality and exigency of the shariah to the faith. instead directly enunciating the need for implementation of shariah, the writer has chosen to dispel suspicions and refute misgiving about the importance and relevance of the shariah to the individual and collective muslim life in the modern world.
