

Criminal careers in transition : the social context of desistance from crime / Stephen Farrall, Ben Hunter, Gilly Sharpe, and Adam Calverley

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419689&lokasi=lokal>

Abstrak

Continuing previous work exploring why people stop offending, ​ processes by which they are rehabilitated in the community. Research undertaken since inception of project in 1996 has focused on developing a long-term evidence base, rather than a rapid assessment, examining whether (and how) probation supervision assists desistance from crime.
