

Media, crime, and criminal justice : images, realities, and policies

Surette, Ray, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419985&lokasi=lokal>

Abstrak

With the role of media in both reporting crime and shaping it into infotainment, the importance of the interplay between contemporary media and the criminal justice system is greater. This title surveys this interplay while emphasizing that people use media-provided knowledge to construct a picture of the world.
