

Ethical decisions for social work practice

Dolgoff, Ralph, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20419987&lokasi=lokal>

Abstrak

Helps students recognize ethical issues and dilemmas, reason carefully about ethical issues, clarify their ethical aspirations at the level demanded by the profession, and achieve a more ethical stance in their practice. This title places ethical decision making within the context of professional ethics, and provides useful guidelines
