

Takeovers : law and practice

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420231&lokasi=lokal>

Abstrak

Covering the area of UK public takeovers, this book analyzes the subject, including tax and accountancy, employment and competition issues. It presents the steps required in a takeover, with chapters on share dealings, merger control and conduct of offer. It offers a commentary on European Union regulations and their impact within the UK market
