

Evolution inclusions and variation inequalities for earth data processing III : long-time behavior of evolution inclusions solutions in earth data analysis

Zgurovsky, Mikhail Z., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420367&lokasi=lokal>

Abstrak

The authors now focus on the long-time behavior of evolution inclusions, based on the theory of extremal solutions to differential-operator problems. This approach is used to solve problems in climate research, geophysics, aerohydrodynamics, chemical kinetics or fluid dynamics. As in the previous volumes, the authors present a toolbox of mathematical equations. The book is based on seminars and lecture courses on multi-valued and non-linear analysis and their geophysical application.
