

Therapy dogs in cancer care ; a valuable complementary treatment

Marcus, Dawn A., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420791&lokasi=lokal>

Abstrak

This book is a ground-breaking, highly innovative addition to the literature on cancer care. Detailing a comprehensive summary of truly impressive research demonstrating the ability of dogs to serve an important therapeutic role within the cancer arena and in other serious medical conditions, the text provides highly practical advice and very helpful “tips” to ensure that those who wish to employ dogs to assist the cancer patient have the necessary knowledge and “tools” to optimize outcomes.
