

Hak warga negara untuk memperoleh pendidikan dasar

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420801&lokasi=lokal>

Abstrak

Every Indonesian child, ranging from 7 to 15 years, has rights to get a free basic education. It has been arranged in the Indonesian constitution so that fulfilling the rights is a big appreciation for human rights. Otherwise, it will cause uneducated children in Indonesia. As known, uneducated children lead to oppression for human. If the government of Indonesia is not able to provide free basic education to children, the government violates both the human rights and the constitutions.
