

Penerapan manajemen korporasi pada unit organisasi di lingkungan DEPDIKNAS

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420903&lokasi=lokal>

Abstrak

The purpose of the study is to analyzed and to measure the relevant aspects and indicators of corporatization. There are 21 units of the ministry of National Education that have been the sample units of the study and all units could be proposed to "corporate units". They have qualified 5 relevant aspects; there are services, commercialism, input, transformation, and output. The study should be followed by a strategic plan relating to the implementation of corporate management and it has stated the recommendation for the ministry of national education and relevant stakeholders.
