

Bullying, suicide, and homicide : understanding, assessing, and preventing threats to self and others for victims of bullying

Losey, Butch

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420975&lokasi=lokal>

Abstrak

The main objective of this CDROM is to provide a detailed understanding of the relationship between bullying, suicide, and homicide and to offer an assessment and response strategy that is useful for mental health professionals who work with children. It will help readers understand that bullying is not a part of childhood development, but rather an aberrant behavior that for the victim can lead to adverse decisions, such as suicide and homicide.
