[ABSTRAK

Skripsi ini membahas tentang perkembangan Koperasi Unit Desa (KUD) di Tasikmalaya kurun waktu 1984-1988. Pada masa Repelita IV, Pemerintah Tasikmalaya memiliki program khusus untuk mengembangkan koperasi di daerahnya. Program tersebut adalah ?Sub Bidang Sukses Kehidupan Koperasi?. Pada program tersebut Pemerintah Tasikmalaya mengharapkan koperasi khususnya KUD bisa terus berkembang dan bisa membantu pertumbuhan ekonomi di Tasikmalaya. Pada skripsi ini penulis mengambil studi kasus di 3 (tiga) KUD, yaitu: KUD Pageurageung, KUD Karangnunggal, dan KUD Cikatomas. Ketiga KUD tersebut menjadi gambaran terlaksananya program tersebut.

ABSTRACT

This thesis discusses the development of village cooperatives in Tasikmalaya over the period of four years, from 1984 to 1988. At the time of Repelita IV, the government of Tasikmalaya established a particular program to develop cooperatives in the region. The program is called "Sub Division of Cooperative Life Success". From the program, Tasikmalaya government expected village cooperatives in particular to continue to grow and be able to assist economic growth in Tasikmalaya. In this thesis, the author examines 3 (three) village cooperatives case studies, namely: village cooperative in Pageurageung, village cooperative in Karangnunggal, and village cooperative in Cikatomas. The three village cooperatives became a depiction of the program implementation.; This thesis discusses the development of village cooperatives in Tasikmalaya over the period of four years, from 1984 to 1988.
