Abstrak

[ABSTRAK
 Jepang sebagai negara industri maju telah mengembangkan investasinya sampai ke Indonesia. Perusahaan Jepang memiliki bentuk ciri khas manajemen yakni manajemen gemba/genchi genbutsu. Skripsi ini menjelaskan tentang manajemen gemba dimana manajemen tersebut membuat atasan harus langsung terjun ke lapangan. Astra Honda Motor dan Showa Manufacturing Indonesia merupakan perusahaan Jepang yang bergerak di bidang otomotif dan manajemen gemba merupakan salah satu manajemen yang ada di dalamnya. Penelitian ini adalah penelitian kualitatif yang datanya didapat melalui studi pustaka dan wawancara, dengan desain eksposisi. Analisis dari skripsi ini berfokus pada proses, kelebihan, kekurangan, kesempatan, ancaman dan efektivitas dari aplikasi manajemen gemba di kedua perusahaan tersebut.
