Abstrak

[ABSTRAK

Skripsi ini membahas mengenai lampu swa-ballast impor yang berguna untuk penerangan dalam suatu rumah. Lampu swa-ballast haruslah sesuai dengan Standar Nasional Indonesia (SNI) yang sudah dilakukan pengujian oleh Badan Standardisasi Nasional (BSN). Kementerian Perdagangan melakukan pengawasan berkala terhadap produk lampu swa-ballast merek Citylamp asal China lalu pelaku usaha lampu Citylamp tidak konsisten dalam memproduksi lampu swa-ballast. Pada produksi awal telah sesuai dengan standar yang berlaku namun pada produksi selanjutnya pelaku usaha menurunkan standar dari barang yang diproduksi. Konsumen haruslah waspada terhadap peredaran lampu swa-ballast karena dalam kemasan terdapat label SNI namun pada kenyataannya tidak sesuai dengan standar yang berlaku.

ABSTRACT

This Thesis discusses about imported swa-ballast lamp that use for the lighting in the house. Swa-ballast lamp must be according to the Indonesian National Standard that being test by the National Standard Committee. Ministry of Trade has monitored the Citylamp swa-ballast lamp that is made in China. The producer of Citylamp inconsistent that make a swa-ballast lamp. In the first production of Citylamp Swa-Ballast lamp the producer has made a qualified lamp, but in the second or third of production, the producer made unqualified lamp. The consumer must be aware to the trade of swa-ballast lamp, because in the cover of the lamp, it showed SNI labels, but actually the lamp is not qualified.
