#### Abstrak

Penelitian ini membahas justice collaborator sebagai syarat remisi bagi narapidana tindak pidana narkoba berdasarkan Peraturan Pemerintah Nomor 99 Tahun 2012 tentang Syarat dan Tata Cara Pelaksanaan Hak Warga Binaan Pemasyarakatan. Penelitian ini dilakukan dengan menggunakan teknik pengumpulan data melalui studi lapangan, yakni melakukan wawancara langsung dengan Badan Narkotika Nasional, Polisi, Jaksa, Lembaga Pemasyarakatan, dan juga narapidana tindak pidana narkoba. Dari hasil analisis diperoleh kesimpulan bahwa pembatasan hak narapidana dalam memperoleh remisi dengan syarat justice collaborator adalah melanggar hak narapidana sebagaimana yang diatur dalam undang-undang. Perlu juga diatur mengenai penentuan justice collaborator bagi narapidana sehingga memberikan kepastian kepada narapidana yang menjadi justice collaborator perlindungan dan penghargaan.

This research discusses justice collaborator as a requirement for convict remissions of narcotics crime based on the Government Regulation Number 99 in 2012 about Terms and Procedures for Implementation of the Prison Rights Citizens. This research was conducted by using the technique of collecting data through fieldwork, doing a interview with the National Anti Narcotics Agency, Police, Prosecutors, Lembaga Pemasyarakatan, and also Convict of narcotics crime. As a results of the analysis concluded that the restriction of the rights convict in obtaining remission to provided justice collaborator is in violation of the prisoners rights, as settled in regulation. It should be also regulated about determining justice collaborator for convict thus giving certainty to the convict who became a protection and reward of justice collaborator.</i>
