ABSTRAK

Hubungan diplomatik antara Indonesia dan Korea Selatan secara resmi terjalin sejak tahun 1966. Pada tahun 2006 kedua negara menyepakati Joint Declaration Strategic Partnership to Promote Friendship and Cooperation. Jurnal ini menjelaskan dampak dari dibuatnya perjanjian tersebut terhadap hubungan kerja sama diantara kedua negara. Tujuan jurnal ini adalah untuk menganalisa tentang dampak perjanjian tersebut dalam bidang sosial-budaya. Metode penelitian yang digunakan adalah metode sejarah. Hasil dari jurnal ini menunjukkan secara umum dampak dari Indonesia-South Korea Joint Declaration Strategic Partnership to Promote Friendship and Cooperation dalam bidang sosial budaya. Kesimpulan dari jurnal ini adalah perjanjian Indonesia-South Korea Joint Declaration Strategic Partnership to Promote Friendship and Cooperation memberikan dampak positif bagi hubungan sosial-budaya kedua negara. Hubungan sosial-budaya kedua negara mencakup bidang pertukaran budaya, turisme, edukasi, pemuda dan olahraga, kesehatan, bantuan untuk bencana alam, serta hubungan konsuler dan hukum. Di antara hubungan tersebut, dampak yang paling menonjol adalah dalam bidang pemuda yang ditunjukkan dengan dibentuknya Indonesia-Korea Youth Exchange. Walaupun demikian, kerja sama Indonesia dan Korea di bidang sosial-budaya masih perlu untuk dikembangkan terutama untuk bidang konsuler.

<hr>ABSTRACT

The diplomatic relations between Indonesia and South Korea officially began since 1966. In 2006 both country agreed the Joint Declaration Strategic Partnership to Promote Friendship and Cooperation. This paper examines about the impact of Indonesia-South Korea Joint Declaration of Strategic Partnership to Promote Friendship and Cooperation particularly in socio-cultural aspect. Based on historical method used in this paper, the result shows that the generally Indonesia-South Korea Joint Declaration of Strategic Partnership to Promote Friendship and Cooperation gave positive influence toward the development of socio-culture area in both countries. Those can be prove through the development on many sectors such as: culture exchange, tourism, education, youth and sport, health, natural disaster, and consular and legal cooperation. Among those there is the most effective influence as impact of the Joint Declaration of Strategic Partnership to Promote Friendship and Cooperation on youth and sport area. However, Indonesia and South Korea still need to make another strategic to make more developed on socio-culture area such as in consular affair.
