Abstrak

ABSTRAK
Praktek Kerja Profesi (PKP) di pemerintahan dilaksanakan di Suku Dinas Kesehatan Kota

Administrasi Jakarta Pusat. Kegiatan ini berlangsung selama dua minggu dari tanggal 7 sampai dengan tanggal 19 September 2015. PKP bertujuan agar mahasiswa apoteker mengerti peranan apoteker, memiliki wawasan tentang pelaksanaan pekerjaan kefarmasian, memahami dan memiliki gambaran nyata akan permasalahan pekerjaan kefarmasian di pemerintahan. Apoteker di Suku Dinas Kesehatan bertanggung jawab penuh terhadap pembinaan dan pengawasan puskesmas maupun pelayanan kesehatan. Berdasarkan pengamatan selama pelaksanaan PKP, Suku Dinas Kesehatan Kota Administrasi Jakarta Pusat secara umum telah melakukan kinerjanya dengan baik termasuk pembinaan terhadap PTSP dalam pengurusan perijinan apotek, tokoobat dan PIRT. Masalah yang terjadi adalah kurangnya informasi petugas PTSP mengenai tata cara perijinan dari kepala PTSP yang telah disampaikan dari Suku Dinas Kesehatan sehingga informasi yang didapatkan oleh calon yang mengajukan perijinan kurang jelas.

ABSTRACT
Profession Internship at government was held at Suku Dinas Kesehatan Kota Administrasi Jakarta Pusat. This activity was held for two weeks from September 7

x
th
until September 18
2015.
