ABSTRAK
Puskesmas merupakan sarana pelayanan kesehatan yang menyelenggarakan upaya kesehatan masyarakat dan perseorangan yang lebih mengutamakan upaya preventif dan promotif. Praktek Kerja Profesi (PKP) di puskesmas dan instansi pemerintah bertempat di Suku Dinas Kesehatan Kota Administrasi Jakarta Timur dan Puskesmas Kecamatan Makasar. Kegiatan ini berlangsung selama tiga minggu dari tanggal 1 sampai dengan tanggal 21 September 2015. PKP di puskesmas dan instansi pemerintah bertujuan agar mahasiswa apoteker mengerti peranan apoteker di puskesmas dan instansi pemerintah, memiliki wawasan tentang pelaksanaan pekerjaan kefarmasian di puskesmas dan instansi pemerintah, dan memiliki gambaran nyata akan permasalahan pekerjaan kefarmasian di puskesmas dan instansi pemerintah dalam kehidupan nyata. Berdasarkan pengamatan, Suku Dinas Kesehatan Kota Administrasi Jakarta Timur dan Puskesmas Kecamatan Duren Sawit telah melaksanakan tugas pokok dan fungsi masing ? masing dengan baik. Masalah yang terjadi di Puskesmas Kecamatan Duren Sawit adalah belum terpenuhinya persyaratan gudang yang baik dan pelayanan farmasi klinik yang belum berjalan secara optimal.
