

Multi-scale dynamical processes in space and astrophysical plasmas

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20425278&lokasi=lokal>

Abstrak

This book presents the proceedings of the International Astrophysics Forum Alpbach 2011. The contributions discuss the latest advances in the exploration of dynamical behavior in space plasmas environments, including comprehensive approaches to theoretical, experimental and numerical aspects. The book will appeal to researchers and students in the fields of physics, space and astrophysics, solar physics, geophysics and planetary science.
