

Analisis Struktural Cerita Cilinaye :

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20425370&lokasi=lokal>

Abstrak

This writing is aimed at analyzing the structure of cilinaye tale a reveal its local wisdom. In order to reach the goal, this writing uses levi-strauss structuralism theory that views mite (tale) has similarity to its medium of transfer, language, and has structure. It is found that Cilinaya tale has list structure in which each part explains by others. By understanding the structure of cilinaya tale, it would help to reveal its local wisdom. It is shown from some behaviors and deeds told by the tale. Visiting grave, prayer, and vow are three related things. There is a strong motivation to get the expectation in vow. Besides, there is a cultural ceremony followed peresean which is the local wisdom owned by Sasak community reflecting thank god
