

Generalized dermatitis in clinical practice

Nedorost, Susan T., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20426122&lokasi=lokal>

Abstrak

Management of generalized dermatitis in clinical practice translates the mechanisms of dermatitis from basic science evidence to practice based recommendations for clinical care. The role of allergic contact dermatitis in atopic dermatitis is explored in depth. Primary care physicians, allergists, and dermatologists will enjoy the fresh perspective that moves beyond treatment with corticosteroids and provides diagnostic and therapeutic algorithms for this complex condition.
