

Frozen section library : gynecologic pathology intraoperative consultation / by Donna M. Coffey, Ibrahim Ramzy

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20426431&lokasi=lokal>

Abstrak

Frozen sections are performed while a patient is undergoing surgery as a basis for making an immediate diagnosis that will impact treatment decisions. Frozen section diagnosis is often a highly demanding situation for the pathologist who must render a diagnosis quickly, based on careful gross examination of specimens to select optimal areas for microscopic examination.

The Frozen Section Library series will provide concise, user-friendly, site specific handbooks that are well illustrated and highlight the pitfalls, artifacts and differential diagnosis issues that arise in the hurried frozen section scenario.
