

Pelaksanaan Permayarakatan dengan konsep Individualisasi Pidana sebagai upaya mengurangi dampak negatif Pidana.

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428654&lokasi=lokal>

Abstrak

A sentence which has been imposed on the accused has a wide negative impact. To reduce the negative impact, the concept of penalty individualization will be applied. The concept will be implemented by changing or canceling punishment which has been imposed on with the principles of humanity beside asimilation, furlough, furlough by free, and parole
