

The role of the performance needs analyst: performance

Kirrane, Diane, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20428863&lokasi=lokal>

Abstrak

Without proper analysis a performance intervention will be a resource wasting and misdirected effort. This Infoline provides solid tips and guidance on analyzing problems and opportunities to discover the cause of performance problems and how to preserve and enhance what works and how to correct, replace, or eliminate what does not work. A useful performance improvement analysis checklist job aid is included.
