

Implementing strategic learning: organizational development

Larsen, Nan Gesche, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20429142&lokasi=lokal>

Abstrak

Today's trainers need to become strategic partners with their organization to ensure that their programs contribute to future success and ultimately the company's bottom line. This Infoline will show not only how to become a strategic partner, but also how to implement and manage strategic learning in your organization.
