Abstrak

Otoritas Jasa Keuangan (OJK) tengah gencar mendorong bank-bank, termasuk bank BUMN untuk memperkuat kedudukannya dengan berbagai upaya seperti konsolidasi, merger, maupun akuisisi. Selain akuisisi terhadap bank, saat ini akuisisi lembaga keuangan bukan bank banyak dilakukan di Indonesia. Skripsi ini membahas pengaturan akuisisi perusahaan asuransi oleh bank BUMN menurut perundangan Indonesia, disertai studi kasus akuisisi PT Bringin Life yang dilakukan oleh BRI. Adapun akuisisi tersebut telah sesuai dengan pengaturannya dan memberikan banyak manfaat untuk pihak yang melakukan akuisisi, sehingga Penulis menyarankan agar pemerintah terus mendorong bank, khususnya bank BUMN untuk terus melakukan akuisisi terhadap perusahaan asuransi lain agar kemudian dapat ikut bersaing di dalam perekonomian global. Jenis penelitian adalah penelitian bersifat yuridis normatif dengan pendekatan penelitian kepustakaan. Sumber penelitian meliputi bahan primer, sekunder, dan tersier. Untuk pengumpulan data digunakan studi dokumen yang kemudian dianalisis dengan menggunakan metode kualitatif.

.....

In order to prepare a competent banking system in the era of globalization and free trade, Otoritas Jasa Keuangan (OJK) has been vigorously encouraging banks, including state-owned banks to strengthen their positions through various efforts such as consolidation, merger, and acquisition. In addition to the acquisition of bank, recently the acquisition of insurance company has been widely happening in Indonesia. This undergraduate thesis discusses about the arrangement of the acquisition of insurance company by state-owned banks according to Indonesia laws, along with the case study of the acquisition of PT Bringin Life conducted by BRI. The acquisition is in accordance with the arrangement and provides many benefits for the parties, so Author suggests that the government should constantly encouraging banks, especially state-owned banks, to continue the acquisitions of insurance company in order to be able compete in the global economy. The type of research that is conducted in this undergraduate thesis is normative juridicial research supported with the approach of literature research. The source of research material includes primary, secondary, dan tertiary datas. As for the data collection, this undergraduate thesis used the study of document which is analyzed by using qualitative method.
