Abstrak

ABSTRAK

Penelitian ini menguji pengaruh dari komitmen manajemen dalam pemasaran internal dan employee engagement melalui komunikasi internal. Data dikumpulkan dari 135 karyawan full time di PT XYZ, Tbk Indonesia. Hasil dari structural equation modeling memperlihatkan bahwa komitmen manajemen dalam pemasaran internal berpengaruh positif dengan komunikasi internal formal. Komunikasi internal formal didukung oleh komunikasi internal informal. Lebih dari itu, internal marketing, komunikasi internal formal dan komunikasi internal informal mempengaruhi employee engagement. Penelitian ini berkontribusi memberikan pemahaman tentang komitmen manajemen dalam pemasaran internal di perusahaan sektor manufaktur.
