Abstrak

ABSTRAK

Penelitian ini fokus pada pola kerjasama interorganisasional KPK ? ICW dalam agenda pemberantasan korupsi politik di Indonesia melalui pendekatan teori New Institutionalisme Victor Nee. Pola kerjasama interorganisasional KPK ? ICW terbangun karena adanya kesamaan visi dan konsen terhadap agenda pemberantasan korupsi, serta interaksi antar aktor ? aktor anti korupsi KPK ? ICW. Pola kerjasama interorganisasional KPK ? ICW menuai dukungan dan tantangan. Dukungan secara moral maupun materil datang dari masyarakat sipil serta dunia internasional. Sedangkan tantangan populer dikenal dengan istilah?Corruptor Fight Back?. Terdapat dinamika diantara aparaturnegara, bahkan diantara KPK ? ICW juga terdapatdinamika, walaupun mereka masih tetap konsisten sebagai aktor anti korupsi

ABSTRACT

This study focuses on the pattern of interorganizational cooperation KPK - ICW in the agenda of political corruption eradication in Indonesia by theoretical approaches New institutionalism Victor Nee. Interorganizational cooperation pattern Commission - ICW woke up because of the similarity of vision and concern about the anticorruption agenda, as well as the interaction between actors of anti -corruption between KPK - ICW. Interorganizational cooperation between KPK - ICW getting support and challenge. Moral and material supporting come from the civil society and the international community. In the other side the challenge popularly known by the term "Corruptor Fight Back". There is a dynamic between the legal apparatus of the state, even among KPK - ICW also found dynamics, although they still remain consistent as anti -corruption actors
