

Eksplorasi seksual komersial anak perempuan yang dilanggengkan melalui tradisi = Commercial sexual exploitation of children female that perpetuated through tradition

Aditya Gatarianto, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20434372&lokasi=lokal>

Abstrak

Karya Akhir ini membahas tentang tradisi-tradisi patriarkis dan misoginis yang mengkonstruksi anak perempuan berada di posisi rentan menjadi korban eksplorasi seksual komersial anak. Karya akhir ini ditulis menggunakan analisis perspektif feminisme radikal dengan metode penelusuran data sekunder yang memungkinkan penulis menggambarkan eksplorasi seksual komersial anak perempuan bukan hanya disebabkan oleh faktor supply and demand saja, namun terdapat faktor lain yaitu konstruksi dalam tradisi patriarkis dan misoginis yang menyebabkan anak perempuan rentan menjadi korban eksplorasi seksual komersial anak perempuan. Pada akhirnya, penulisan ini menunjukkan bahwa terdapat kesamaan pola pada tradisi tradisi patriarkis dan misoginis yang menyebabkan langgengnya eksplorasi seksual komersial anak perempuan.

.....

This final assignment discusses the patriarchal and misogynist traditions which construct the children (female) in a vulnerable position to become the victims of commercial sexual exploitation of children (female). This final assignment was written using the analysis of radical feminism perspective with the research methods of secondary data that allows author to describe that the commercial sexual exploitation of children (female) is not only caused by factors of supply and demand, but there are also other factors such as patriarchal and misogynist traditions which constructed the children (female) became vulnerable and led them for being the victims of commercial sexual exploitation of children (female). In the end, this paper shows that there are similar patterns of traditions of patriarchal and misogynist which led to the interminable of commercial sexual exploitation of children (female).
