Abstrak

ABSTRAK

Penelitian ini menjelaskan mengenai fenomena regionalisme dalam Pemilu Presiden di Korea Selatan. Permasalahan yang dibahas dalam skripsi ini adalah bagaimana pembelahan sosial dalam masyarakat Korea Selatan berperan dalam terbentuknya fenomena regionalisme di masa transisi demokrasi dalam Pemilihan Presiden tahun 1987. Penelitian ini menggunakan metode kualitatif dan menggunakan teori pembelahan sosial dan konsep regionalisme. Hasil penelitian ini adalah fenomena regionalisme yang terbentuk pada masa transisi demokrasi merupakan pembelahansosial yang terjadi akibat kebijakan rezim otoriter bagi wilayah di Korea Selatan. Selain itu fenomena regionalisme dalam Pemilu Presiden tahun 1987 juga didorong mobilisasi dukungan oleh kandidat dari wilayah asal masing-masing. Mobilisasi dukungan wilayah asal dan pencalonan Kim Young-sam (Reunification Democratic Party) dan Kim Dae-jung (Party for Peace and Democracy) membuat dukungan kepada oposisi terbagi sehingga kandidat partai pemerintah Roh Tae-woo (Democratic Justice Party) berhasil memenangkan Pemilu Presiden.

ABSTRACT

This research explains about regionalism phenomenon in South Korea, especially in the presidential election. The problem discussed in this research is how the impact of social cleavage in South Korean society toward the formation of regionalism's phenomenon in the transition to democracy in the 1987 Presidential Election. This research used qualitative methods and it applies social cleavage theory and regionalism concept. The result of this research finds that regionalism phenomenon formed in the Presidential Election on democratic transition period was the social cleavage which occurred due to the policy of authoritarian regime toward regions in South Korea. In addition, regionalism phenomenon in the 1987 presidential election was also caused by the competition among the candidates in mobilizing the voters from their respective regions. The mobilization of regional support and the candidacy between Kim Young-sam (Reunification Democratic Party) and Kim Dae-jung (Party for Peace and Democracy) cause the support for the opposition was divided and the ruling party candidate Roh Tae-woo (Democratic Justice Party) won the presidential election.
