

Team building in a virtual environment: teams & quality

Guillot, Tara L., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435422&lokasi=lokal>

Abstrak

This issue will guide you through the five steps to form a successful virtual team and make it seem as if the thousands of miles of separation pose no threat to solving issues. In addition to a step-by-step process, the issue includes tips on team leadership, conflict management, an explanation of the three types of virtual team meetings, and a proven assessment instrument.
