

Interview skills for managers: management development

Grosse, Eric F., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435425&lokasi=lokal>

Abstrak

Hiring the best candidate for an important job in your organization or team should not be left to chance. This issue explores the art and science of interviewing by focusing on how different interview formats work. Case studies, sample interviews, and checklists are provided to turn the process from toss-the-dice into a well-conceived and executed managerial decision.
