

Write better behaviorial objectives: instructional systems development

Sharpe, Cat, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435639&lokasi=lokal>

Abstrak

Great behavioral objectives help guarantee that you will get the outcome you are expecting from your training program. This issue provides clear guidelines for writing clear, concise and measurable cognitive (knowledge), psychomotor (skills), and affective (attitudes) objectives. Included are tips on formatting, use of action verbs, and other practical advice.
