

Performance analysis and consulting

Phillips, Jack J., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435690&lokasi=lokal>

Abstrak

Performance analysis and consulting is a growing and critical topic. Most organizations struggle to find the best solution to improve performance, yet they often fail to consider methodical process to determine those solutions. Sometimes there is confusion about the degree of emphasis on performance consulting and the....
