

Hukum sebagai instrumen politik: pemanfaatan hukum internasional oleh negara maju dalam era globalisasi

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20435818&lokasi=lokal>

Abstrak

Law can be used as political instrument, such as intervention instrument for developed countries against Indonesia. In order to face intervention using law, there is no choice other than to face it by using law as well. Skill in formulating legal sentence and in negoatition should be faced with he same skill. Good tactic also should be faced with the good tactic. This is challenge for Indonesia to face sovereign intervention on legislation process in Indonesia.
